**Re: Toronto Hydro-Electric System Limited Distribution Rates 2015-2019
(EB-2014-0116) - SIA Technical Conference Involvement**

Dear Ms. Walli,

In accordance with Procedural Order 1, the Sustainable Infrastructure Alliance of Ontario (the “SIA”) wishes to advise all parties that it does not have any specific topic areas for which it would require clarification at the Technical Conference that are not otherwise planned to be addressed by other intervening parties. The SIA intends to follow the Technical Conference proceedings, and to the extent necessary, may seek very limited clarification of any new issues that may arise.

Sincerely,
