OEB File No. EB-2014-0076
GRIMSBY POWER INC. REPLY SUBMISSION**

Dear Ms. Walli;

In accordance with Procedural Order No. 1 this letter represents our reply to submissions from Board staff and VECC received on October 31, 2014. In both submissions the LRAM variance account remained the outstanding issue. Due to time constraints Grimsby Power Inc has decided to defer the disposition of the LRAM variance account until the next IRM application.

Should there be any questions, please do not hesitate to contact me.

Respectfully,

Mioara Domokos, CPA, CGA
