

EB-2014-0064

IN THE MATTER OF the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B);

AND IN THE MATTER OF an application by Entegrus Powerlines Inc. for an order approving just and reasonable rates and other charges for electricity distribution to be effective May 1, 2015.

PROCEDURAL ORDER NO. 1

November 17, 2014

Entegrus Powerlines Inc. (“Entegrus”) filed a complete application (the “Application”) with the Ontario Energy Board (the “Board”) on October 20, 2014 under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B) and under the Board’s Filing Requirements for Incentive Regulation Rate Applications. Entegrus is seeking approval for changes to the rates that Entegrus charges for electricity distribution, to be effective May 1, 2015. The Board assigned the application file number EB-2014-0064.

The Board issued a Notice of Application and Hearing on October 24, 2014. The Vulnerable Energy Consumers Coalition (“VECC”) applied for intervenor status and cost eligibility in relation to Entegrus’ proposed request to clear the balance in an account which tracks the difference between the actual revenue impacts of conservation programs compared to what Entegrus had predicted. No objection was received.

I approve VECC as an intervenor and that VECC is eligible to apply for an award of costs under the Board’s *Practice Direction on Cost Awards* in relation to Entegrus’ request outlined above.

The list of parties in this proceeding is attached as Appendix A to this procedural order.

Parties are reminded to consult sections 26 and 27 of the Board's *Rules of Practice and Procedure* (as revised April 24, 2014) regarding required naming and numbering conventions and other matters related to interrogatories.

I consider it necessary to make provision for the following matters related to this proceeding. Provision is being made for written submissions following the filing of interrogatory responses, unless the Board orders otherwise during the course of the proceeding. The Board may issue further procedural orders from time to time.

THE BOARD ORDERS THAT:

1. Board staff and VECC shall request any information and material from Entegrus that is in addition to Entegrus' pre-filed evidence with the Board, and that is relevant to the hearing, by written interrogatories filed with the Board and served on Entegrus on or before **December 18, 2014**.
2. Entegrus shall file with the Board complete written responses to the interrogatories and serve them on VECC on or before **January 15, 2015**.
3. Unless the Board orders otherwise, Board staff and VECC wishing to file a written submission shall do so by **February 5, 2015**. Any submission should be filed with the Board and delivered to Entegrus and VECC.
4. Unless the Board orders otherwise, Entegrus may file a written reply submission with the Board, and deliver it to VECC by **February 19, 2015**.

All filings to the Board must quote the file number, EB-2014-0064 and be made electronically through the Board's web portal at <https://www.pes.ontarioenergyboard.ca/eservice/> in searchable / unrestricted PDF format. Two paper copies must also be filed at the Board's address provided below. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address. If the web portal is not available parties may email their documents to the address below. Those who do not have internet access are required to submit all filings on a CD in PDF format, along with two

paper copies. Those who do not have computer access are required to file 7 paper copies.

All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.
