Re: EB-2014-0300

Dear Ms Walli,

We are writing to request Observer status in this hearing and also to request that the Ontario Energy Board hold an oral public hearing to consider Windlectric's application to the Ontario Energy Board to build a high-voltage transmission line and associated facilities on Amherst Island.

We would appreciate it if the hearing could be held within the County of Lennox & Addington.

Thank-you for the opportunity to participate and we will be submitting our comments on Windlectric's application shortly.

Best regards,

Laurie Kilpatrick & John Moolenbeek
