November 18, 2014

Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board  
2300 Yonge Street  
Suite 2700  
Toronto, Ontario, M4P 1E4

Dear Ms. Walli:

**RE: EB-2014-0145 – Submissions of London Property Management Association on Draft Rate Order**

In the Decision and Order dated October 30, 2014 in the above noted proceeding, the Board ordered Union Gas ("Union") to file a Draft Rate Order ("DRO") reflecting the Board's findings in this proceeding on, or before, November 13, 2014. The Board also ordered Board Staff and intervenors who wish to file comments on the DRO to do so on, or before, November 20, 2014.

Union filed the DRO on November 13, 2014 and an update on November 17, 2014 that included an additional Working Paper Schedule 3 that shows the allocation of the UFG price variance to rate classes.

On behalf of the London Property Management Association ("LPMA") I have reviewed the DRO, including Working Paper Schedule 3 and believe the DRO appropriately reflects the Board Decision and the Settlement Agreement. In particular, Union has allocated the UFG price variance amount of \$4.784 million to the rate classes in proportion to the 2013 Board approved allocation of UFG costs to customers for which Union provides fuel.

Sincerely,

*Randy Aiken*
