Attn: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: EB-2014-0060– Cambridge and North Dumfries – Notice of Late Intervention

We are counsel to the School Energy Coalition (“SEC”). We enclose our Notice of Intervention in this matter, and request that the Board accept this late filing. While SEC was served with the original Notice of Application, it did not reference the proposal for a special load displacement rate for a single large use customer. Due to that issue, and the proposed z-factor, SEC requests intervenor status in this proceeding.

SEC understands that if the Board allows this late intervention, it will adhere to the schedule set out in Procedural Order No. 1 already issued.

Yours very truly,
Jay Shepherd P.C.

AND IN THE MATTER OF an Application by Cambridge and
North Dumfries Hydro Inc. for an Order or Orders approving just and

**NOTICE OF INTERVENTION
OF THE
SCHOOL ENERGY COALITION**

1. The School Energy Coalition (“SEC”) applies for intervenor status in this proceeding.
2. SEC is a frequent intervenor in Board proceedings. Our current Annual Filing can be found on the Board’s website, here:

<http://www.ontarioenergyboard.ca/oeb/ Documents/Intervenor Filings/SEC 2014 annual i ntervenor filing 20140602.pdf>
3. The School Energy Coalition intends to apply for recovery of its costs reasonably incurred in the course of its intervention in this matter. SEC has participated in many past natural gas and electricity proceedings in Ontario, including consultations, rate cases, and other processes and hearings, and has been found eligible to be paid its reasonably incurred costs in all of those proceedings.

Issues to be Addressed

4. SEC’s intended participation will focus on the following issues:
 - a. The proposed special load displacement rate;
 - b. The Z-factor claim; and
 - c. Generally to represent the interests of school boards and their students in this process

The Intervenor's Intended Participation

5. The School Energy Coalition intends to participate in any pre-hearing procedures, including interrogatories or technical conferences, and settlement conferences. SEC also intends to participate in any oral hearing of this matter, and in written or oral submissions, as well as any other parts of the process that the Board should order.

Nature of Hearing Requested

6. Until interrogatories have been answered, we believe it is premature to assess whether a written or an oral hearing is more appropriate in this proceeding.
