Re: Enbridge Gas Distribution Inc. ("Enbridge")
EB-2012-0451- Greater Toronto Area Pipeline Project
Conditions of Approval – Construction and Approvals/Permits

On January 30, 2014, the Ontario Energy Board (the "Board") issued the Decision and Order for the above noted proceeding which included the Conditions of Approval for Enbridge as Appendix G to the Decision.

In accordance with the Conditions of Approval for EB-2012-0451, Enbridge is providing the following information and notices:

- As per Condition 2.3, Enbridge hereby advises the Board that it intends to start construction on or about January 2, 2015 at the first horizontal directional drill with site preparation work expected to begin the second week of December 2014.
- As per Condition 4.1, enclosed please find an update to Exhibit D, Tab 1, Schedule 3, listing the approvals, permits, licenses and certificates required to construct, operate and maintain the project.

Please contact me if you have any questions.

Yours truly,

[Original Signed]
