

EB-2014-0140

IN THE MATTER OF the *Ontario Energy Board Act*, 1998, S.O. 1998, c. 15, (Schedule B);

AND IN THE MATTER OF an application by Hydro One Networks Inc. seeking changes to the electricity transmission revenue requirement for 2015 and 2016 to be effective January 1, 2015 and January 1, 2016.

PROCEDURAL ORDER NO. 2

November 28, 2014

Hydro One Networks Inc. (“Hydro One”) filed a complete cost of service application with the Ontario Energy Board (the “Board”) on September 16, 2014 under section 78 of the *Ontario Energy Board Act*, 1998, S.O. 1998, c. 15, (Schedule B), seeking approval for changes to the electricity transmission revenue requirement for 2015 and 2016 to be effective January 1, 2015 and January 1, 2016. Hydro One included in its application a proposed comprehensive settlement agreement that it reached with ratepayer representatives and other groups that participated in Hydro One’s last transmission rate hearing (EB-2012-0031).

A Notice of Application and Hearing (“Notice”) was issued on October 14, 2014. Procedural Order No. 1 was issued on November 10, 2014, confirming intervenor and cost award status for parties that applied and providing an opportunity for any intervenors that were not party to the settlement agreement to submit their position on the agreement. No submissions were filed.

On November 10, 2014, the Canadian Manufacturers and Exporters (“CME”) filed a letter requesting intervenor status and cost award eligibility, after the deadline of

November 2, 2014 set out in the Notice. The Board approves CME's late request for intervenor status, provided that CME accepts the record of the proceeding as it currently stands. The Board also approves CME as eligible to apply for an award of costs under the Board's *Practice Direction on Cost Awards*. An updated List of Intervenors is attached as Appendix A.

The Board considers it necessary to make provision for the following matters related to this proceeding.

THE BOARD ORDERS THAT:

1. The Board will hold an oral hearing on **Tuesday, December 2, 2014** at which time Hydro One will present the proposed Settlement Agreement to the Board. The hearing will be held in the Board's West Hearing Room on the 25th floor, 2300 Yonge Street, Toronto **starting at 2:00 p.m.**
2. Hydro One is directed to make available a panel of witnesses that can respond to any questions the Board panel or Board staff may have with respect to the proposed Settlement Agreement.
3. Board staff shall make its submission on the proposed Settlement Agreement at the hearing.

All filings to the Board must quote the file number, EB-2014-0140, be made electronically through the Board's web portal at <https://www.pes.ontarioenergyboard.ca/eservice/>, in searchable / unrestricted PDF format. Two paper copies must also be filed at the Board's address provided below. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address. Parties must use the document naming conventions and document submission standards outlined in the RESS Document Guideline found at <http://www.ontarioenergyboard.ca/OEB/Industry>. If the web portal is not available parties may email their documents to the address below. Those who do not have internet access are required to submit all filings on a CD in PDF format, along with two paper copies. Those who do not have computer access are required to file 7 paper copies.

All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.

With respect to distribution lists for all electronic correspondence and materials related to this proceeding, parties must include the Case Manager, Harold Thiessen at harold.thiessen@ontarioenergyboard.ca.
