Dear Ms. Walli:

We are the solicitors for the Applicant and we write further to Board Staff Interrogatories delivered on September 8, 2014, our letter dated October 7, 2014 and Procedural Order No. 2 dated October 23, 2014.

The Applicant has commissioned and received drafts of the detailed engineering drawings requested pursuant to Board Staff Interrogatory No. 1. However, the Applicant has requested that certain corrections and modifications be made to the draft drawings that it has received and anticipates that it will be able to file the final drawings with the Board on or before December 5, 2014. The Applicant requests a further indulgence from the Board extending the deadline to file the engineering drawings to December 5, 2014.

Yours truly,
