Subject: file EB 2014-0300

I am writing as a concerned resident of Amherst Island. I am requesting an oral hearing with respect to File EB 2014-0300. I am deeply troubled by the proposed transmission line, hydro substations, and 80 feet steel poles which will be erected just west of our island school, all in regards to the Amherst Island FIT contract.

Your action on this request is greatly appreciated.
