Dear Ms. Walli

Ontario Power Generation Inc. ("OPG") 2014-2015 Payment Amounts Application	
Board File No.:	EB-2013-0321

Please consider this correspondence as the submissions of Canadian Manufacturers & Exporters ("CME") with respect to OPG's Draft Payment Amounts Order relating to the 2014-2015 Payment Amounts.

In preparing these submissions, and reviewing the Draft Payment Amounts Order, we have had the benefit of Board Staff's submission dated December 5, 2014. Because of the comprehensiveness of Board Staff's submission, we address only one (1) issue.

At Table 9 of Appendix A to the Draft Payment Amounts Order, OPG sets out the annualized residential consumer impact. We submit that it would be beneficial for ratepayers if OPG also set out the annualized impact for general service and large volume consumers. As such, we request that OPG prepare two (2) additional tables to Appendix A to the Draft Payment Amounts Order. The first should provide the annualized general service consumer impact, and the second table should provide the annualized large volume consumer impact. Subject to this request, CME has no further comments on the Draft Payment Amounts Order.

Yours very truly
