Dear Ms. Walli:

**Re: Board File No.: EB-2014-0140 and EB-2014-0357  
Request for Additional Time to Provide Comments on Draft Rate Order**

The IESO is writing to request additional time to review the Draft Rate Order filed by Hydro One Networks Inc., on December 9, 2014, in relation to EB-2014-0140 Hydro One Networks' 2015-2016 Transmission Revenue Requirement and Charge Determinants and EB-2014-0357 Hydro One Networks' 2015 Uniform Transmission Rates.

The IESO has advised OEB staff that it is attempting to determine whether the newly proposed allocation factor in relation to the B2MLP (the Bruce to Milton line), as set out in Exhibit 6 of the Draft Order, can be implemented by January 1, 2015.

The IESO respectfully requests that it be permitted until December 19 to complete its analysis and advise the Board accordingly.

Yours truly,

Paula L. Lukan  
Senior Regulatory Analyst  
Independent Electricity System Operator
