Dear Ms. Walli,

RE: EB-2014-0140 - Review of Draft Rate Order of London Property Management Association

On behalf of the London Property Management Association ("LPMA"), I have reviewed the Draft Rate Order ("DRO") filed by Hydro One Networks Inc. on December 9, 2014 and forwarded to parties on Dec. 11, 2014.

In particular, I have reviewed Exhibits 1.0 through 5.0 and believe they appropriately and accurately reflect the settlement impact and the cost of capital update, along with the adjustments associated with the B2M LP shift of costs.

I have not reviewed Schedules 6.0 through 8.0 as it is believed that other parties (Board staff and the IESO, for example) will be in a better position to review and comment if necessary.

Yours very truly,

Randy Aiken
