Dear Ms. Henderson:

**Re: Hydro One Networks Inc.
Application for 2015 and 2016 Transmission Revenue Requirement and Rates
Board File Number EB-2014-0140**

On December 2, 2014, in its oral decision on this matter, the Board indicated that Board staff and intervenors were expected to file comments on Hydro One's Draft Rate Order (DRO) by December 15, 2014.

On December 11, 2014, the Independent Electricity System Operator (IESO) filed a letter requesting an extension for filing comments on the DRO until December 19, 2014.

The Board has determined that it will grant this request for the IESO and amend the comment date for all other parties. Therefore, the IESO will be permitted to file their DRO comments no later than December 19, 2014. All other parties will be permitted to file their comments on the DRO as well as any comments on the IESO submission by December 23, 2014.

Please direct any questions relating to this application to Harold Thiessen, Senior Project Advisor, at 416-440-7637 or harold.thiessen@ontarioenergyboard.ca

Yours truly,
