Subject: Re. EB 2014--0300 Windelectric Application Request for ORAL HEARING

Dear Ms. Walli,

My wife, Claire, and I would like to apply for monitor status on this issue.

We would like to be part of the oral process as we feel our needs will be accommodated by an open and transparent process considering the gravity of having 37 lightening rods disfiguring our bucolic Island.

Please keep us up-to-date on what is happening.

Yours truly,

Hugh & Claire Jenney
