**IN THE MATTER OF** the Ontario Energy Board Act, 1998, S.O. 1998, c.15, Schedule B (the "Act");

**AND IN THE MATTER OF** an application by Greenfield South Power Corporation for a certificate of public convenience and necessity, pursuant to section 8 of the *Municipal Franchises Act*, R.S.O. 1990, c. M. 55.

**PROCEDURAL ORDER NO. 3  
December 16, 2014**

The Ontario Energy Board received an application from Greenfield South Power Corporation ("Greenfield") for a Certificate of Public Convenience and Necessity ("Certificate") under section 8(1) of the Municipal Franchises Act on September 18, 2014, with amendments filed on September 25, 2014 ("Greenfield's Certificate Application").

The Board granted intervenor status to Union Gas Limited ("Union") and the Ontario Power Authority. A Notice of Application was issued on September 26, 2014 and was served and published as the Board directed.

The Board issued Procedural Order ("PO") 1 on October 28, 2014 establishing an Issues List and setting the timeline for a written discovery process including opportunity for intervenors and Board staff to file evidence.

On November 5, 2014 Greenfield filed supplementary evidence which was challenged by Union but ultimately accepted by the Board because it is within the scope of the proceeding and provides a more complete record on the issues set out in the Issues List.

The Board issued, PO 2 on November 7, 2014, amending the timeline for the filing of evidence and the completion of the written discovery process to accommodate a request from Union for more time to review Greenfield's supplementary evidence.

In the PO 1, the Board stated that it intended to proceed with a written discovery process followed by oral submissions of the parties.
