Dear Ms. Walli:

Re: EB-2013-0321 – Ontario PG Notice of Motion for Review and Variance of Decision With Reasons - List of Intervenors

It is my understanding that on December 10, 2014 Ontario Power Generation Inc. (OPG) filed with the OEB a Notice of Motion seeking to review and vary the OEB's Decision with Reasons in the EB-2013-0321 proceeding, dated November 20, 2014.

I would like to confirm that The Society of Energy Professionals will continue with its intervenor status in this new stage of the proceeding. Further, could you please add Mr. Dan Kellar at kellard@thesociety.ca to the list of individuals who are authorized to receive documents on behalf of The Society of Energy Professionals in this proceeding.

Thank you

Scott Travers
