

EB-2013-0442

IN THE MATTER OF the *Ontario Energy Board Act, 1998*, S.O. 1998, c.15, Schedule B;

AND IN THE MATTER OF an application by wpd Sumac Ridge Incorporated for an Order or Orders pursuant to section 41(9) of the *Electricity Act, 1998*, S.O. 1998, c. 15, Schedule A establishing a location for the applicant's distribution facilities on public road allowances owned by the Municipality of Kawartha Lakes, Ontario, as set out in this application.

PROCEDURAL ORDER NO. 3

December 19, 2014

wpd Sumac Ridge Incorporated (the "Applicant") filed an application dated December 20, 2013 with the Ontario Energy Board (the "Board"), under subsection 41(9) of the *Electricity Act, 1998*, c.15, Schedule A for an order or orders establishing a location of certain distribution facilities to run above a portion of Gray Road and to cross beneath Wild Turkey Road, as described in Exhibit C, Tab 1, Schedule 1 of the application.

In Procedural Order No. 2, the Board granted the Applicant's request for additional time to prepare and submit drawings showing the location of structures that are to be located along and beneath the affected roadways, as requested in a Board Staff interrogatory (the "Location Drawings")

On December 5, 2014, the Applicant submitted these drawings. The Board has decided that it will make provision for a second process of interrogatories to allow parties to seek clarification on any matters arising from these drawings.

In Procedural Order No. 1, the Board invited any parties opposed to a written hearing to make submissions on this issue. The Board did not receive any submissions on this

matter. The Board does not consider there is any reason why an oral hearing would be appropriate for this proceeding and accordingly has decided that it will proceed with a written hearing.

The Board considers it necessary to make provision for the following matters related to this proceeding

THE BOARD ORDERS THAT:

1. If the intervenor or Board staff requires clarification on any matters arising from the Location Drawings they shall file written supplemental interrogatories with the Board, and copy them to the Applicant, on or before **January 12, 2015**.
2. The Applicant shall file with the Board complete written responses to the supplemental interrogatories, and copy all other parties, on or before **January 21, 2015**.
3. If the intervenor wishes to submit evidence the intervenor must file the evidence with the Board, and copy it to the Applicant, on or before **January 26, 2015**.
4. Board staff or the Applicant shall request any information and material from the intervenor by way of written interrogatories and file their interrogatories with the Board, and copy them to the intervenor, on or before **February 4, 2015**.
5. The intervenor shall file with the Board complete responses to all interrogatories, and copy them to all other parties, on or before **February 17, 2015**.
6. The Applicant shall file argument-in-chief, if any, with the Board, and copy it to the intervenor, on or before **February 24, 2015**.
7. Board staff and the intervenor shall file their submissions, if any, with the Board, and copy them to the Applicant, on or before **March 3, 2015**.
8. If the Applicant wishes to respond to any of the submissions, the response must be filed with the Board and delivered to all other parties, on or before **March 10, 2015**.

All filings to the Board must quote the file number, EB-2013-0442, be made through the Board's web portal at <https://www.pes.ontarioenergyboard.ca/eservice/>, and consist of two paper copies and one electronic copy in searchable / unrestricted PDF format. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address. Please use the document naming conventions and document submission standards outlined in the RESS Document Guideline found at
