Ms. Margaret Nanninga
Kitchener-Wilmot Hydro Inc.
301 Victoria St. South
P.O. Box 9010
Kitchener ON N2G 4L2

Dear Ms: Nanninga:

**Re: Kitchener-Wilmot Hydro Inc.
Application for Rates
Board File Number EB-2014-0089**

The Board has today issued a corrected version of its Decision and Rate Order in the above-noted proceeding.

The correction to the Decision and Rate Order can be found on page 3 of Appendix A, Tariff of Rates and Charges, a copy of which is attached.

In the originally issued Decision and Rate Order, the description for the rate rider of the global adjustment account for the GS 50 – 4,999 kW service classification reads:

“Rate Rider for Disposition of Global Adjustment Account (2015) – effective until December 31, 2015
Applicable only for Class B consumers”.

As corrected, title for this rate rider now reads:

“Rate Rider for Disposition of Global Adjustment Account (2015) – effective until December 31, 2015
Applicable only for Class B Non-RPP consumers”.

Pursuant to its powers under Rule 43.02 of the Board’s Rules of Practice and Procedure, the Board may at any time, without notice or a hearing of any kind, correct a

typographical error, error of calculation or similar error made in its orders or decisions. The Board considers this error to be typographical. This revised Tariff of Rates and Charges replaces the tariff provided in Appendix A of the Decision and Rate Order issued by the Board on December 4, 2014. The Decision is not otherwise changed in any way.

Yours truly,
