

**EB-2014-0304**

**IN THE MATTER OF** the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, Schedule B;

**AND IN THE MATTER OF** an application by Simply Green Home Services Inc. for a unit sub-metering licence.

By delegation, before: Peter Fraser

### **DECISION AND ORDER**

**December 30, 2014**

Simply Green Home Services Inc. filed an application on September 25, 2014 with the Ontario Energy Board under section 60 of the *Ontario Energy Board Act, 1998* (the “Act”) for a unit sub-metering licence. Additional information to complete the application was filed on October 10, 2014.

The Board’s Notice of Application and Written Hearing for a unit sub-metering licence was posted on October 24, 2014. No parties responded to the Notice of Application and Written Hearing.

After considering the application, I find it to be in the public interest to issue the unit sub-metering licence under Part V of the Act. I am issuing this unit sub-metering licence for a period of two years. As a new entrant to the market, the applicant should use the next two years to demonstrate that it is a reliable participant in the electricity market.

### **IT IS THEREFORE ORDERED THAT:**

The application for a unit sub-metering licence is granted, on such conditions as are contained in the attached licence.

**DATED** at Toronto, December 30, 2014

**ONTARIO ENERGY BOARD**
