Dear Ms. Walli:

**Re: EB-2014-0115 - Toronto Hydro 2015-2019 Rates**

We are counsel to Toronto Hydro in the above noted matter. We write in response to counsel for the School Energy Coalition, Mr. Rubenstein's letter of yesterday's date.

Toronto Hydro has now had the opportunity to further discuss SEC's request with the Canadian Electricity Association. The CEA has advised Toronto Hydro that it is prepared to consent to production of the list of CEA studies and the relevant dates of those studies. This information will be provided by Toronto Hydro on or before the date requested by Mr. Rubenstein. It is being provided in the spirit of cooperation and in an attempt to have the SEC motion determined on its ultimate merits.

We understand that it is the CEA's position that the information to be provided is confidential and, at the time it is being submitted, Toronto Hydro will seek an order from the Board requesting that the information be designated as such on an interim basis.

Yours truly,
