Dear Ms. Walli:

**Re: EB-2013-0442 - wpd Sumac Ridge Incorporated - Application for an Order under section (41)9 of  
the *Electricity Act, 1998***

We are counsel for Dr. E. Salmon, an Intervenor Status in this matter. Enclosed please find our client's Supplemental Interrogatories in this matter pursuant to Procedural Order No. 3.

In addition, we note that on December 18, 2014 we sent a letter (enclosed) to the Board advising of our recent retainer and raising a number of issues. To date we have not seen this letter posted on the Board's website nor have any further communications, including Procedural Order No. 3, been sent to our office on behalf of the Intervenor. Accordingly, we would appreciate the Board advising us on the matters raised in our previous letter.

We look forward to the response of the Ontario Energy Board to this request. If there are any questions arising from this request please do not hesitate to contact us.

Yours very truly,

**ERIC K. GILLESPIE
