1. Ref: Electricity Retailer and Gas Marketer Licence Application Forms

- a) Please indicate whether ECNG is aware that under Ontario Regulation 90/99 – Licensing Requirements, any electricity retailer or gas marketer that sells or offers to sell electricity or gas to a low-volume consumer cannot enter into, renew, amend or extend the term of a contract unless the licensee has filed a Certificate of Compliance with the Board. In this context, a contract means an agreement between a low-volume consumer and an electricity retailer for the provision of electricity or between a low-volume consumer and a gas marketer for the provision of gas.
