ONTARIO ENERGY BOARD

Dear Ms. Walli:

**Re: Golden Horseshoe Metering Systems Inc.
Licence Amendment – ES-2013-0218**

Golden Horseshoe Metering Systems Inc. ("Golden Horseshoe") is licensed to engage in unit sub-metering under its Unit Sub-Metering Licence ES-2013-0218 effective August 8, 2013. Under the terms of its current licence, Golden Horseshoe is permitted to conduct business in the name of Golden Horseshoe Metering Systems Inc. and Golden Horseshoe Metering Services.

Golden Horseshoe is seeking an amendment to Schedule 1 of its Unit Sub-Metering Licence to add an additional trade name of "Oakville Hydro Energy Services Sub-Metering". Golden Horseshoe is a wholly owned subsidiary of Oakville Hydro Energy Services Inc. ("OHESI") and therefore this amendment would provide better alignment and representation of its authorized trade names with its corporate entity structure.

Golden Horseshoe requests that the Ontario Energy Board dispose of this proceeding without a hearing, pursuant to section 21(4) (b) of the *Ontario Energy Board Act, 1998*. Golden Horseshoe submits that no other person will be affected in a material way by the outcome of this proceeding and consents to the disposition of this proceeding without a hearing.

Respectfully submitted,

Paula Burgin
Director, Energy Services
