Of the Legislative Assembly of Ontario

PETITIONS (15:30)

WIND TURBINES

Ms. Laurie Scott: “To the Legislative Assembly of Ontario:

“Whereas Premier Kathleen Wynne and the Minister of Energy Bob Chiarelli have publicly stated that there will be no time extensions for large-scale FIT contracts in Ontario, and the Ontario Power Authority CEO, Colin Andersen, has stated the authority is expecting developers to meet contract commitments; and

“Whereas the Premier, minister and the power authority must recognize that damage to our rural area from being under continuing threat by industrial wind turbine developers for three years is serious and unacceptable; and

“Whereas the FIT contracts for the Sumac Ridge, Snowy Ridge, Settlers Landing and Stoneboat projects—all on or near the Oak Ridges Moraine and in the former Manvers township in the city of Kawartha Lakes—have already been extended for one year or longer;

“We, the undersigned, respectfully petition the Legislative Assembly of Ontario as follows:

“That the government of Ontario, the Minister of Energy the Honourable Bob Chiarelli, and the Ontario Power Authority not issue any further time extensions for FIT contracts and, in particular, for the Sumac Ridge, Snowy Ridge, Settlers Landing and Stoneboat projects—before or after expiry of such contracts. We are advised, and we believe, that the ‘force majeure’ clause in the FIT contracts is completely inapplicable to these projects; accordingly, we respectfully further request the Legislature to instruct the Minister of Energy to adhere to his assurance that extensions will no longer be granted to wind project proponents who have no contractual right to such an extension and who fail to meet their contractual commitments.”

This was brought to me by Jane Zednik and Heather Stauble, and I’ll pass it on to page Jessie.
