Dear Ms. Walli:

**Re: OPG Application for Approval to Dispose of Certain Deferral and Variance Account Balances (EB-2014-0370)**

We are retained to act as counsel to Power Workers' Union (PWU).

By way of this letter, the PWU is requesting Intervenor status in the Board's proceedings with respect to the above-noted application.

The PWU represents a large portion of the employees working in Ontario's electricity industry and has the utmost interest in regulatory proceedings that impact the provision of electricity service adequacy, reliability and safety to customers. Attached please find a list of PWU employers.

The PWU intends to be a full-time intervenor and will participate in all aspects of the hearing. The PWU's concern is OPG's ongoing ability to maintain and invest in its assets in a manner that ensures their long term reliable and safe operation, as well as the safety of OPG's employees.

The PWU has retained Kim McKenzie and Bayu Kidane of Elenchus Research Associates as consultants and Paliare Roland for legal representation in this proceeding. Please provide copies of all communications with regard to the PWU's participation to:
