Dear Ms. Walli:

**RE: 2015 ELECTRICITY DISTRIBUTION RATE APPLICATION FOR ALGOMA POWER INC.
("API") – EB-2014-0055
DRAFT RATE ORDER**

Please find accompanying this letter, an addendum to pages 16 of 21 and 20 of 21 of API's Draft Rate Order originally submitted on January 19, 2015. On page 16 of 21, Table 7 has been updated to reflect the 2015 Uniform Electricity Transmission Rates. API's original Draft Rate Order was based on 2014 rates and is now updated to reflect the 2015 rates. On page 20 of 21, Table 8 (Summary of Bill Impacts) has been updated to reflect changes in the Uniform Electricity Transmission Rates and a recalculation in the Rate Design Model to reflect the Foregone Revenue in the Residential R1 classification. The original model submitted on January 19, 2015 contained an error in the calculation.

In addition, please find attached revised tariff sheets with the changes noted above and a revised Rate Design Model, Bill Impact Model and RTSR Model in Excel format.

If you have any questions in connection with the above matter, please do not hesitate to contact the undersigned at (905) 994-3634.

Yours truly,
