ONTARIO ENERGY BOARD NOTICE ONTARIO POWER GENERATION INC.

Ontario Power Generation Inc. has applied for approval to dispose of certain account balances and to raise its payment amounts.

Learn more. Have your say.

Ontario Power Generation Inc. has applied to the Ontario Energy Board to dispose of 2014 year-end balances in authorized deferral and variance accounts and thereby increase the amount it charges for the output of its nuclear generating facilities and most of its hydroelectric generating facilities. If approved, this would result in an increase of about \$3.08 each month for the typical residential customer beginning on July 1, 2015. Other customers, including businesses, may be affected as well.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider Ontario Power Generation (OPG) Inc.'s request and will question the company on its case. We will also hear arguments from individuals and from groups that represent consumers of electricity. At the end of this hearing, the OEB will decide what, if any, increase will be allowed.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.

BE INFORMED AND HAVE YOUR SAY

You have the right to information regarding this application and to be involved in the process. You can:

- review OPG's application on the OEB's website now.
- file a letter with your comments, which will be considered during the hearing.
- become an active participant (called an intervenor). Apply by **February 9, 2015** or the hearing will go ahead without you and you will not receive any further notice of the proceeding.
- at the end of the process, review the OEB's decision and its reasons on our website.

LEARN MORE

These payment amounts relate to generation from OPG's nuclear facilities and most of its hydroelectric facilities. They make up part of the Electricity line – one of the five line items on your bill. Our file number for this case is **EB-2014-0370**. To learn more about this hearing, find instructions on how to file letters or become an intervenor, or to access any document related to this case, please select the file number **EB-2014-0370** from the list on the OEB website at www.ontarioenergyboard.ca/notice. You can also phone our Consumer Relations Centre at 1-877-632-2727 with any questions.

ORAL VS. WRITTEN HEARINGS

There are two types of OEB hearings – oral and written. OPG has applied for a written hearing. The OEB is considering this request. If you think an oral hearing is needed, you can write to the OEB by **February 9, 2015** to explain why.

PRIVACY

If you write a letter of comment, your name and the content of your letter or the documents you file with the OEB will be put on the public record and the OEB website. However, your personal telephone number, home address and email address will be removed. If you are a business, all your information will remain public. If you apply to become an intervenor, all information will be public.

This payment amounts hearing will be held under section 78.1 of the Ontario Energy Board Act, 1998, S.O. 1998 c.15 (Schedule B).

AVIS DE LA COMMISSION DE L'ÉNERGIE DE L'ONTARIO ONTARIO POWER GENERATION INC.

Ontario Power Generation Inc. a déposé une requête en vue de disposer de certains soldes de comptes et d'augmenter ses montants de paiement.

Soyez mieux renseigné. Donnez votre opinion.

Ontario Power Generation Inc. a déposé une requête auprès de la Commission de l'énergie de l'Ontario en vue de disposer des soldes de fin d'année 2014 des comptes de report et d'écart autorisés et ainsi d'augmenter le montant qu'elle facture pour la production de ses installations de production nucléaire et la plupart de ses centrales hydroélectriques. S'il est approuvé, ce plan aura pour conséquence une augmentation de 3,08 \$ environ par mois pour le client résidentiel moyen à partir du 1^{er} juillet 2015. D'autres clients, dont des entreprises, pourraient aussi en être touchés.

LA COMMISSION DE L'ÉNERGIE DE L'ONTARIO TIENDRA UNE AUDIENCE PUBLIQUE

La Commission de l'énergie de l'Ontario (CEO) tiendra une audience publique pour examiner la requête d'Ontario Power Generation Inc. et interrogera l'entreprise sur son dossier. Elle entendra également les arguments des personnes et des groupes qui représentent les consommateurs d'électricité. À la fin de cette audience, la CEO décidera si elle accordera une augmentation, le cas échéant.

La CEO est un organisme public indépendant et impartial. Elle rend des décisions qui servent l'intérêt public. Son but est de promouvoir un secteur d'énergie viable et rentable financièrement qui vous offre des services énergétiques fiables à un coût raisonnable.

SOYEZ RENSEIGNÉ ET DONNEZ VOTRE OPINION

Vous avez le droit de recevoir des renseignements concernant cette requête et de participer au processus. Vous pouvez :

- consulter dès maintenant la requête d'OPG sur le site Web de la CEO.
- présenter une lettre de commentaires qui sera examinée durant l'audience.
- participer activement à l'audience (à titre d'intervenant). Inscrivez-vous d'ici le **9 février 2015** ou l'audience sera entamée sans votre participation et vous ne recevrez aucun autre avis concernant cette instance.
- passer en revue la décision rendue par la CEO et ses justifications sur notre site Web à la fin du processus.

SOYEZ MIEUX RENSEIGNÉ

Ces montants de paiement sont liés à la production des installations nucléaires d'OPG et de la plupart de ses centrales hydroélectriques. Ils sont inscrits sur la ligne « Electricity/électricité » de votre facture – l'un des cinq éléments que vous y trouvez. Le numéro pour ce dossier est **EB-2014-0370**. Pour en savoir plus sur cette audience, sur les démarches à suivre pour présenter des lettres ou pour devenir un intervenant, ou encore pour accéder aux documents concernant ce dossier, veuillez sélectionner le numéro de dossier **EB-2014-0370** dans la liste publiée sur le site Web de la CEO :

www.ontarioenergyboard.ca/participate. Vous pouvez également adresser vos questions à notre centre de relations aux consommateurs au 1 877 632-2727.

AUDIENCE ORALE OU ÉCRITE

Il existe deux types d'audience à la CEO : orale et écrite. OPG a introduit une demande d'audience écrite. La CEO étudie actuellement cette demande. Si vous pensez qu'une audience orale doit avoir lieu, vous pouvez écrire à la CEO pour en expliquer les raisons, au plus tard le **9 février 2015**.

CONFIDENTIALITÉ

Si vous présentez une lettre de commentaires, votre nom et le contenu des documents que vous allez déposer auprès de la CEO seront versés au dossier public et publiés sur le site Web de la CEO. Toutefois, votre numéro de téléphone, votre adresse et votre adresse de courriel seront supprimés. Si vous êtes une entreprise, tous vos renseignements demeureront accessibles au public. Si vous faites une requête de statut d'intervenant, tous vos renseignements seront du domaine public.

Cette audience portant sur les montants de paiement sera tenue en vertu de l'article 78.1 de la Loi de 1998 sur la Commission de l'énergie de l'Ontario, L.O. 1998 chap.15 (annexe B).
