Dear Ms. Walli

Re: Hydro One Networks Inc. ("Hydro One")
North West Bulk Transmission Line Deferral Account
Board File #: EB-2014-0311

Pursuant to Procedural Order No. 1, we request that Hydro One provide responses to the following interrogatories:

1. Why was the need for the North West Bulk Transmission Line Deferral Account ("NWBTLDA") not addressed in Hydro One's 2015-2016 Transmission Rates case?
2. Please confirm that the plan to record "incremental" costs due to the NWBTL project in the Deferral Account means that there will be no allocation to that account of the value of human or other resources covered by the 2015-2016 Transmission Revenue Requirement. If this cannot be confirmed, please provide full details on what Hydro One considers as "incremental" costs.

Yours very truly
