DECISION AND ORDER ON COST AWARDS
January 27, 2015

Background

Brantford Power Inc. (Brantford Power) filed an application with the Ontario Energy Board on August 15, 2014 under section 78 of the *Ontario Energy Board Act, 1998* seeking approval for changes to the rates that Brantford Power charges for electricity distribution, effective January 1, 2015.

On September 23, 2014, the Board issued its Procedural Order #1 granting the Vulnerable Energy Consumers Coalition (VECC) intervenor status and cost award eligibility in regards to Brantford Power's request to clear a variance account balance.

The Board issued its Decision and Rate Order on the application on December 4, 2014, in which it set out the process for VECC to file its cost claim and to respond to any objections raised by Brantford Power.

The Board received the cost claim from VECC. No comment was received from Brantford Power.

The Board has reviewed VECC's cost claim and finds that VECC is eligible for 100% of its reasonably incurred costs of participating in this proceeding. The Board finds that VECC's claim is reasonable and Brantford Power shall reimburse VECC for its costs.

THE BOARD THEREFORE ORDERS THAT:

1. Pursuant to section 30 of the *Ontario Energy Board Act, 1998*, Brantford Power shall immediately pay VECC the sum of \$1,075.78.
2. Pursuant to section 30 of the *Ontario Energy Board Act, 1998*, Brantford Power shall pay the Board's costs of and incidental to, this proceeding immediately upon receipt of the Board's invoice.
