

**Appendix II**  
Site Photographs

---

Photo 1: PRT1 facing upstream and to the east showing Hwy 35 in the background.

Photo 2: PRT1 facing upstream and northeast with Hwy 35 shown in the foreground.

Photo 3: PRT1 north side of Gray Rd facing northeast and Hwy 35 in the background.

Photo 4: PRT1 facing downstream and southwest on the south side of Gray Road at Hwy 35.

Photo 5: PRT1 showing an overhead view downstream of the confluence between the north and south branches on the north side of Gray Road at the western limit of the project area.

Photo 6: PRT1 approximately 200m downstream of Hwy 35 facing upstream and east on the north side of Gray Road at the western limit of the project area.

Photo 7: PRT2 facing upstream and to the northeast from the top of the downstream-side berm.

Photo 8: PRT2 showing the downstream-side berm facing NW with Gray Road (along the hedgerow) in the background.

Photo 9: View of the north side of the pond's berm from the downstream limit facing east.

Photo 10: PRT3 looking downstream and northwest from its upstream limit shown on Figure 1.

Photo 11: Flooded area in PRT3 facing NE from same location as Photo 9.

Photo 12: PRT3 facing upstream and east from the same location as Photos 9 and 10.

Photo 13: PRT4 facing upstream and east from the downstream limit of the feature within the project area.

Photo 14: PRT4 overhead of diffuse channel 20m upstream of Photo 12.

Photo 15: PRT4 facing downstream and to the west from the downstream limit of the feature in the project area.

Photo 16: FCH (A) looking downstream and east approximately 100m east of Wild Turkey Road.

Photo 17: FCH (B) looking downstream and east approximately 100 m east of Wild Turkey Road.

Photo 18: FCH (C) looking downstream and east approximately 100m east of Wild Turkey Road.

Photo 19: FCH (D) looking downstream and east approximately 100m east of Wild Turkey Road.
