Dear Ms. Walli:

**Re: Hydro One Networks Inc. – Application for Leave to Construct
Transmission Facilities (Board File No.: EB-2013-0421)**

We are retained to act as counsel to Power Workers' Union (PWU).

The PWU is in receipt of the Ontario Energy Board's Procedural Order No. 3 and the Board's 'Notice of New Cost Allocation Issue' arising from the above matter, dated January 30, 2015.

By way of this letter, the PWU is requesting intervenor status to participate in Phase 2 of this proceeding which will deal with the cost allocation issues arising from Hydro One's Application.

The PWU represents a large portion of the employees working in Ontario's electricity industry and has the utmost interest in regulatory proceedings that impact the provision of electricity service adequacy, reliability and safety to customers. Attached please find a list of PWU employers. The PWU's concern in Phase 2 of this proceeding is Hydro One's ongoing ability to maintain and invest in its assets in a manner that ensures their long term reliable and safe operation, as well as the safety of Hydro One's employees.

The PWU has retained Kim McKenzie and Bayu Kidane of Elenchus Research Associates as consultants and Paliare Roland for legal representation in this proceeding. Please provide copies of all communications with regard to the PWU's participation to:
