Dear Ms. Walli,

**Re: EB-2013-0421
Hydro One Networks Inc.
Notice of New Cost Allocation Issue and Procedural Order No. 3
Intervenor Request**

Dear Ms. Walli,

E.L.K. Energy Inc. (E.L.K.) is an intervenor in this proceeding.

On January 30, 2015, the Board published the Notice of New Cost Allocation and Procedural Order No.3 which directs a phase 2 for the proceeding. With respect to phase 2 of the proceeding, E.L.K. Energy Inc. (E.L.K.) is part of the E3 Coalition to which the Board has already granted intervenor status and cost eligibility. While it is anticipated that most, if not all of E.L.K.'s effort with respect phase 2 of this proceeding will be as part of the E3 Coalition, E.L.K. would also like to maintain individual party status for phase 2 in case an issue arises that is unique to E.L.K.

For the purposes of E.L.K.'s separate intervenor status for phase 2, please forward all correspondence to:
