

## **Appendix F**

### **Letter of Non-Objection from Enbridge Inc.**

October 27, 2014

Pembina NGL Corporation  
Corunna Station  
4391 Hwy 40  
Corunna, Ontario  
N0N 1G0

Attention: Randall Alwood, District Manager, Corunna

Enbridge Gas Distribution Inc. has no objection to the drilling of two wells into Cavern 45 and the plugging of the existing well in Cavern 45, provided that the drilling and abandonment operations comply with the most current CSA Z341 Standard – Storage of hydrocarbons in underground formations.

If you have any questions or concerns, please do not hesitate to please contact me at 519-862-6032.

Yours truly,

A handwritten signature in purple ink, appearing to read 'K. McConnell'.

K. McConnell, P. Geo.  
Senior Project Geologist

cc Brian Black, Director of Storage Operations
