**Certificate of Destruction – Confidential Filings.**

---

In reviewing our file in another matter in order to report to the Board regarding destruction of confidential information, it has come to my attention that while we have previously destroyed all confidential information provided in respect of the captioned proceeding, we have not provided certification to that effect.

There were two *Declaration and Undertaking* forms filed in the captioned proceeding in the course of my representation of IGUA in the matter; one by me and one by the (then) regulatory co-ordinator at my previous firm, Nicki Pellegrini. When I moved my practice to Gowlings all file materials, including any confidential materials, were brought with me, and have since been destroyed. Ms. Pellegrini has since left my previous firm; Macleod Dixon.

Accordingly, in accord with the obligations under section 6.1.6 of the Board's *Practice Direction on Confidential Filings*, attached please find an executed *Certificate of Destruction* for me, for filing herein.

Yours truly,

Ian Mondrow
