Dear Ms. Walli:

Re: EB-2012-0459 – Enbridge Gas Distribution Inc. (EGD) 2014-2018 Customized IR Application.

Declaration and Undertaking as to Confidentiality

The undersigned executed a *Declaration and Undertaking as to Confidentiality* in the captioned proceeding, and filed same with the Board, on February 21, 2014.

That undertaking was executed in respect of an exhibit in the proceeding (U/T J4.4.) for which EGD as applicant initially sought confidential treatment, but in respect of which the request for confidential treatment was subsequently withdrawn (see February 21, 2014 Transcript, page 98, lines 11 through 15). Accordingly, we provide this letter describing the context for our undertaking, and confirming that we are not in possession of any confidential material filed in respect of the captioned proceeding.

Yours truly,

Ian A. Mondrow
