Attention: Kirsten Walli, Board Secretary

**Subject: LP Corunna Storage Terminal**

The Ministry of Natural Resources and Forestry, Petroleum Operations Section has received the enclosed application from Pembina Infrastructure and Logistics to convert Cavern 45 and 10 other unused salt solution mining caverns to increase their current storage capacity over 15 years, starting in 2015.

The complete application dated January 22, 2015 is enclosed on behalf of the proponent.

As per Section 40 of the *Ontario Energy Board Act*, this application for granting of the licence relating to a well in designated gas storage is being referred to the OEB for a report.

If you have any questions, please do not hesitate to contact us.

Yours truly,
