Board Secretary  
Ontario Energy Board

Toronto, ON, M4P 1E4

Dear Ms. Walli:

**RE: EB-2013-0421 Hydro One Networks Inc. Leave to Construct Electricity Transmission Assets - Intervenor Request for Phase 2**

On January 28, 2015, the Ontario Energy Board (the "Board") issued Procedural Order No. 3 to all Licensed Electricity Distributors regarding Phase 2 (Cost Allocation) of the above mentioned proceeding.

In P.O. No. 3, the Board has invited any interested party to apply for Intervenor Status in the proceeding.

The Coalition of Large Distributors ("CLD")<sup>1</sup> requests Intervenor Status in Phase 2 of the proceeding.

The Board has identified that findings in this proceeding in relation to Cost Allocation will potentially inform policy related changes to the cost responsibility rules in the Transmission System Code and Distribution System Code. The CLD has an interest in matters related to Cost Allocation policy changes.

The CLD will not seek an award of costs in this proceeding.

Yours truly,

*(Original signed on behalf of the CLD by)*

Vice President, Regulatory Affairs  
Horizon Utilities Corporation
