Dear Ms. Walli:

Re: Response to Draft Decision and Rate Order

OEB File Number: EB-2014-0121 - 2015 Distribution Rate Application

On February 5, 2015, the Board Secretary's issued a Draft Decision and Rate Order regarding Wellington North Power Inc.'s (WNP) Incentive Rate Mechanism Adjustment Application for 2015 Distribution rates (EB-2014-0121). In accordance with this letter, the Applicant has reviewed the information and is of the opinion that both the "Draft Decision Rate Order" and the draft Tariff of Rates and Charges are accurate and complete. The Applicant acknowledges that approval for Hydro One's Sub-Transmission rates for 2015 is pending (EB-2013-0416) and consequently:

- a) Retail Transmission Service Rates (RTSRs) will be updated in the Rate Generator model once finalized; and
- b) The billing rates in the draft Tariff of Rates and Charges may be different to those that will be provided in the Applicant's final Decision and Rate Order.

An electronic copy of this response has been filed on the OEB's RESS site.

Should the Board or Board Staff have questions regarding this matter please do not hesitate to contact myself or Richard Bucknall.

Yours truly,

Judy Rosebrugh
