Dear Ms. Walli:

Re: EB-2014-0101: Oshawa PUC Networks Inc. (OPUCN) 2015-2019 Rates.

Filing of Lead/Lag Study.

It has been brought to our attention that the electronic link embedded in OPUCN's pre-filed evidence (Exhibit 2, Tab A – Written Direct: Rate Base, page 75) is inoperable. The material linked, as referenced in the evidence, is a lead/lag study prepared by Ernst & Young in support of the requested allowance for working capital for the 2015 through 2019 test years.

Filed with this letter is an update to the pre-filed evidence, as follows:

1. An updated Exhibit List (Exhibit 1, Tab A), which lists the lead/lag study as a new Schedule 1 to Exhibit 2, Tab A.
2. An updated version of the entire Exhibit 2, Tab A, in which page 75 of the initial filing is replaced with a new page 75 referencing the new Schedule 1, and which includes the new Schedule 1.

Yours truly,

Ian A. Mondrow
