Dear Ms. Walli:

**Re: EB-2014-0276 – Enbridge Gas Distribution Inc. (EGD)
Requirement for Technical Conference**

We have reviewed the interrogatory responses filed by EGD. In response to Procedural Order No. 2, VECC is not seeking a Technical Conference. As we are still analysing the responses we believe the suggestion of Board Staff to allow parties to put in writing any further requests for clarification of matters would be helpful. It is our experience that applicants usually make best efforts to deal with any reasonable request to clarify matters in advance of a settlement conference and we hope that some matters can be dealt with on an informal basis where this is appropriate. We also believe Staff's suggestion would allow parties to make best use of the time set aside for the settlement conference on March 5.

Yours truly,

Mark Garner/for
