

# ONTARIO ENERGY BOARD

**IN THE MATTER OF** the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15 (Sched. B);

**AND IN THE MATTER OF** an application by Suncor Energy Products Inc. for an Order or Orders pursuant to Section 41(9) of the *Electricity Act, 1998* (as amended) establishing the location of the applicant's distribution facilities within certain road allowances owned by the Town of Plympton-Wyoming.

## AFFIDAVIT OF SERVICE

I, Aenea Young, of the City of Markham, in the Province of Ontario, **MAKE OATH AND AFFIRM:**

1. I am a legal assistant at Fogler, Rubino LLP ("**Foglers**"), which is legal counsel to Suncor Energy Products Inc. (the "**Applicant**") in the above noted proceeding. As such, I have personal knowledge of the matters set out below.
2. In accordance with the Ontario Energy Board's Letter of Direction dated January 23, 2015, on January 30, 2015, I caused Foglers to have served by overnight courier copy of the Ontario Energy Board Notice ("**Notice**"), including the location map of the affected road allowances ("**Package**") (attached hereto as "**Exhibit A**") on each of the parties specified in paragraph 3 of the LOD for whom courier confirmations are attached as "**Exhibit B**" hereto. Notices sent to Bell Canada and Eastlink were served via registered mail and the registered mail receipts and delivery confirmations are attached hereto as "**Exhibit C**."
3. I am advised that, in accordance with paragraph 5b. of the LOD, that a copy of the Notice, application and evidence was made available for public perusal as of January 28, 2015 at the office of Suncor Energy Products Inc. located at 2489 North Sheridan Way, Mississauga, Ontario as confirmed by the email attached as "**Exhibit D**" hereto.
4. I am aware that the Notice, the application, evidence, and any additional materials currently available are posted on Suncor Energy Products Inc.'s website: <http://www.suncor.com/en/about/4797.aspx>. Attached as "**Exhibit E**" hereto is a copy of the relevant website page.
5. Due to an administrative error, the Application ("**Application**") was not served along with the Notice on January 30, 2015. We informed the Ontario Energy Board of this on February 10, 2015 and were issued a revised Notice on February 12, 2015. Attached as "**Exhibit F**" hereto is a copy of the Application and attached as "**Exhibit G**" hereto is a copy of the revised Notice.
6. On February 12, 2015, I caused Foglers to have served by overnight courier copy of the revised Notice and Application on each of the parties specified in paragraph 3 of the LOD for whom courier confirmations are attached as "**Exhibit H**" hereto.

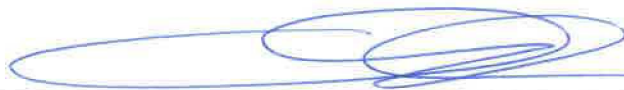

6. On February 12, 2015, I caused Foglers to have served by overnight courier copy of the revised Notice and Application on each of the parties specified in paragraph 3 of the LOD for whom courier confirmations are attached as "**Exhibit H**" hereto.
7. I am advised that, in accordance with paragraph 5b. of the LOD, that a copy of the revised Notice, application and evidence was made available for public perusal as of February 13, 2015 at the office of Suncor Energy Products Inc. located at 2489 North Sheridan Way, Mississauga, Ontario as confirmed by the email attached as "**Exhibit I**" hereto.
8. I am aware that the revised Notice, the application, evidence, and any additional materials currently available are posted on Suncor Energy Products Inc.'s website: <http://www.suncor.com/en/about/4797.aspx>. Attached as "**Exhibit J**" hereto is a copy of the relevant website page and email confirmation.

SWORN BEFORE ME at the City of Toronto )  
this 17<sup>th</sup> day of February, 2015 )

  
A Commissioner for taking Affidavits )

  
Aenea Young

This is Exhibit "A" referred to in the Affidavit of Aenea Young  
sworn Feb ..... 17 ..... 2015

A handwritten signature in blue ink, consisting of several loops and a long horizontal stroke at the end.

---

*Commissioner for Taking Affidavits (or as may be)*

## ONTARIO ENERGY BOARD NOTICE

**Suncor Energy Products Inc. has applied to the Ontario Energy Board to determine the location of electricity distribution facilities within road allowances owned by Lambton County.**

**Learn More.**

Suncor Energy Products Inc. plans to own and operate the Suncor Cedar Point II Wind Energy Project in the Municipality of Lambton Shores, the Township of Warwick and the Town of Plympton-Wyoming, in Lambton County. As part of the project, Suncor Energy Products Inc. proposes to locate 4.293 km of distribution line within certain road allowances owned by Lambton County. Suncor Energy Products Inc. and Lambton County have not been able to reach agreement regarding the location of the distribution facilities. Suncor Energy Products Inc. is asking that the Ontario Energy Board determine the location of the distribution facilities within the municipal road allowances.

**A map showing the potentially affected road allowances is appended to this Notice.**

### **THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING**

The OEB is an independent and impartial public agency. It will hold a public hearing to consider Suncor Energy Products' request. During this hearing, the OEB will consider evidence and arguments by Suncor Energy Products, Lambton County and others whose interests would be affected.

*The OEB hearing will consider specific issues determined by law. The Electricity Act, 1998 specifies that the OEB is strictly limited to determining the location of the distribution facilities within the road allowances in question. The OEB will not consider alternative locations for the distribution facilities outside of the road allowances or any aspect of the wind generation project in this case.*

### **BE INFORMED**

You have the right to information regarding Suncor Energy Products Inc.'s application. You can read the application on the OEB's website (See below under "Learn More").

### **HAVE YOUR SAY**

If you would be affected by the location of the distribution facilities within the road allowances owned by the Corporation of Lambton County, you may want to take a more active role in the hearing. You can:

- Send the OEB a letter with your comments within 60 calendar days from the date this Notice is posted on applicant's website, which will be considered during the hearing; or
- Ask the OEB for permission to be an active participant in the hearing (an intervenor). Intervenors can provide evidence, argue their positions and submit relevant questions to be answered by Suncor Energy Products Inc. (interrogatories). To be an intervenor, a party must be affected by the location of the facilities in a way that relates directly to the issues the OEB will consider. If you wish to be an intervenor, the OEB must receive your request by **February 9, 2015**.

### **LEARN MORE**

Our file number for this case is **EB-2014-0355**. To learn more about how to participate in this hearing, including how to file a letter with your comments or how to become an intervenor, go to [www.ontarioenergyboard.ca/participate](http://www.ontarioenergyboard.ca/participate). From that OEB web page you can also enter the file number **EB-2014-0355** to see all the documents related to this case. You can also phone our Consumer Relations Centre at 1-877-632-2727 with any questions.

### **ORAL VS. WRITTEN HEARINGS**

There are two types of OEB hearings – oral and written. Suncor Energy Products Inc. has applied for a written hearing. If you think an oral hearing is needed, you can write to the OEB to explain why by **February 9, 2015**.

### **PRIVACY**

If you write a letter with your comments, your name and the content of your letter will be put on the OEB's public record and the OEB website. However, your personal telephone number, address and email address will be removed. If you are a business, all your information will be public. If you apply to become an intervenor, all your information will be public.

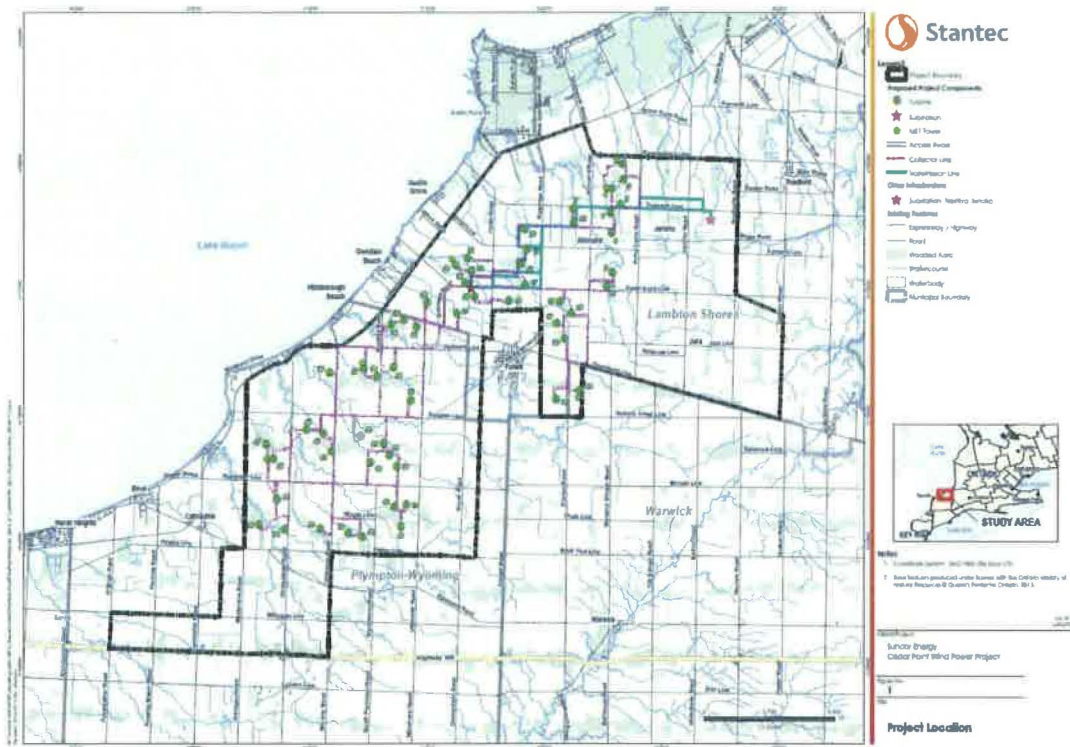

This application was filed under section 41(9) of the *Electricity Act, 1998 S.O. 1998, c.15, Schedule A*.

## Suncor Energy Cedar Point Wind Power Project

Suncor is committed to increasing renewable energy generation in Canada and building best-in-class wind energy projects.

In July 2011, the Project was awarded a 100 MW, 20-year term power purchase contract with the Ontario government. Our Cedar Point Wind Power Project - located approximately 40 km north-east of Sarnia, Ontario - received a Renewable Energy Approval (REA) under the Ontario Green Energy Act from the Ministry of the Environment (MOE) on August 22, 2014.

Suncor has been developing this project since signing the first agreement with a local landowner in 2005.

Detailed information about our project can be found below.

#### Ontario Energy Board

#### Application for Leave to Construct Transmission Facilities

**Posted February 2014**

An Application for Leave to Construct Transmission Facilities associated with the project's 115 kV transmission line has been filed with the Ontario Energy Board (OEB). In accordance with the OEB's Letter of Direction dated February 18, 2014, copies of the Application, pre-filed evidence and any additional materials as they are developed will be posted below. Additional details can be found on the OEB website.

1. Leave to Construct Application
  - Exhibits A-B (PDF, 73 pp., 8,781 KB)
  - Exhibits C-G (PDF, 55 pp., 1,003 KB)
  - Exhibit H (PDF, 77 pp., 805 KB)
2. Ontario Energy Board Notice (PDF, 1 pp., 238 KB)

#### Application to Establish the Location of Certain Distribution Facilities within the Town of Plympton-Wyoming

**Posted October 2014**

An Application to Establish the Location of Certain Distribution Facilities within the Town of Plympton-Wyoming associated with the project's underground collection system located within Plympton-Wyoming owned road allowances has been filed with the Ontario Energy Board (OEB). Because Suncor and the Town of Plympton-Wyoming have not been able to reach agreement regarding the location of the distribution facilities, Suncor Energy Products Inc. is asking that the Ontario Energy Board determine the location of the distribution facilities within the municipal road allowances. In accordance with the OEB's Letter of Direction dated September 29, 2014, copies of the Notice, Application evidence and any additional materials as they are developed will be posted below. These materials will also be made available for convenient public perusal at our offices located at Sheridan Park, Mississauga.

1. Application
  - Cover - Exhibit B4\_1E (PDF, 187 pp., 8,869 KB)
  - Exhibit B4\_1F - Exhibit B4\_1H (PDF, 25 pp., 7,795 KB)
  - Exhibit B4\_1I (PDF, 22 pp., 7,890 KB)
  - Exhibit B4\_1J - Exhibit B4\_1K (PDF, 37 pp., 4,405 KB)
  - Exhibit B4\_1L - and (PDF, 24 pp., 9,044 KB)

2. Ontario Energy Board Notice (PDF, 3 pp., 454 KB)
3. Ontario Energy Board Revised Notice (PDF, 2 pp., 475 KB)

#### Application to Establish the Location of Certain Distribution Facilities within the Road Allowances of Lambton County

Posted January 2015

An Application to Establish the Location of Certain Distribution Facilities within the road allowances owned by Lambton County associated with the project's underground collection system has been filed with the Ontario Energy Board (OEB). Because Suncor and Lambton County have not been able to reach agreement regarding the location of the distribution facilities, Suncor Energy Products Inc. is asking that the Ontario Energy Board determine the location of the distribution facilities within the County road allowances. In accordance with the OEB's Letter of Direction dated January 23, 2015, copies of the Notice, Application, the evidence and any additional materials as they are developed will be posted below. These materials will also be made available for convenient public perusal at our offices located at Sheridan Park, Mississauga.

This is Exhibit "F" referred to in the Affidavit of Aenea Young  
sworn .....Feb.....17....., 2015.

Commissioner for Taking Affidavits (or as may be)

**ONTARIO ENERGY BOARD**

**IN THE MATTER OF** the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15 (Sched. B);

**AND IN THE MATTER OF** an application by Suncor Energy Products Inc. for an Order or Orders pursuant to Section 41(9) of the *Electricity Act, 1998* (as amended) establishing the location of the applicant's distribution facilities within certain streets and highways owned by the Corporation of the County of Lambton, all as set out in this application.

**APPLICATION**

1 The Applicant, Suncor Energy Products Inc., ("**Suncor**" or the "**Applicant**") is an Ontario  
2 corporation, with a registered office in Mississauga. Suncor is developing and will own and  
3 operate the generation and distribution assets associated with the Suncor Cedar Point II Wind  
4 Energy Project (the "**Project**" or "**Cedar Point**") in the Municipality of Lambton Shores, the  
5 Township of Warwick, and the Town of Plympton-Wyoming, all within the Corporation of the  
6 County of Lambton ("**Lambton County**"), Ontario.

7 Suncor hereby applies to the Ontario Energy Board (the "**Board**") pursuant to Section 41(9) of  
8 the *Electricity Act, 1998*, as amended (the "***Electricity Act***") for an order or orders establishing  
9 the location of Suncor's distribution facilities within the streets and highways owned by Lambton  
10 County, listed in Exhibit B, Tab 5, Schedule 1, Appendix A (collectively, the "**Streets and**  
11 **Highways**"), all as set out in Exhibit B, Tab 5, Schedule 1 (Order Sought).

12 Suncor was issued Renewable Energy Approval Number 6914-9L5JBB ("**REA**") for the Project  
13 on August 22, 2014. As a result of the REA being issued, the Project is approved for 55 wind  
14 turbine locations in Lambton County, 46 of which will be built (collectively, the "**Generation**  
15 **Facilities**"). The Generation Facilities will have a total nameplate capacity of up to 100 MW. To  
16 convey the electricity generated by the Generation Facilities to a transmission system, which is  
17 in turn connected to the IESO- controlled grid, Suncor plans to construct certain distribution  
18 facilities (the "**Distribution System**"). The Distribution System will include approximately 124  
19 km of 34.5 kV distribution lines located on private property and municipal and county owned  
20 streets and highways, which will convey electricity from each of the wind turbines to a

1 transformer substation, from which a transmission system will convey the electricity to the  
2 IESO-controlled grid.

3 As the owner and operator of the Distribution System, Suncor is a "distributor" within the  
4 meaning of the *Electricity Act* and the Board's decisions in EB-2010-0253, EB-2013- 0031, EB-  
5 2013-0233 and EB-2014-0139. As a distributor, Suncor has chosen to locate a portion of its  
6 Distribution System within approximately 4.293 km of Streets and Highways pursuant to the  
7 statutory right of distributors under subsections 41(1) and 41(5) of the *Electricity Act*. These  
8 subsections, among other things, give distributors the right to construct and install structures,  
9 equipment and other distribution facilities over, under or on any public street or highway without  
10 the consent of the owner of, or any other person having an interest in, such public street or  
11 highway.

12 In accordance with Section 41(9) of the *Electricity Act*, Suncor, as the distributor, and Lambton  
13 County, as the owner of the streets and highways, are required to agree on the location of the  
14 Distribution System within the Streets and Highways, which location shall be determined by the  
15 Board in the event of a disagreement.

16 Notwithstanding its statutory rights, as more particularly described in Exhibit B, Tab 3, Schedule  
17 1, Suncor has sought, as is commonplace in Ontario, to negotiate a road use agreement ("RUA")  
18 with Lambton County that would, among other things include agreement with respect to the  
19 location, construction, operation and maintenance of the Distribution System within the Streets  
20 and Highways.

21 To date, Suncor and Lambton County have not be able to enter into an RUA or otherwise reach  
22 agreement as to the location of the Distribution System within the Streets and Highways.

23 Because Suncor and Lambton County have not been able to reach an agreement with respect to  
24 the location of the Distribution System within the Streets and Highways, Suncor requests that the  
25 Board issue an order or orders, pursuant to Section 41(9) of the *Electricity Act*, establishing the  
26 location of the Distribution System within the Streets and Highways, all as set out in Exhibit B,  
27 Tab 5, Schedule 1.

1 Suncor requests that the Board expedite its hearing of this application in accordance with  
2 Sections 2.01 and 7.01 of the Board's *Rules of Practice and Procedure* because (i) the only  
3 person directly affected by this application is Lambton County as the sole owner of the Streets  
4 and Highways, and (ii) Suncor received its REA on August 22, 2014 and its project schedule  
5 requires construction to commence in February of 2015.

6 Suncor also requests that the Board, in hearing this application, be guided by its mandate, under  
7 Section 1(1)(5) of the *Ontario Energy Board Act, 1998*, to "promote the use and generation of  
8 electricity from renewable energy sources in a manner consistent with the policies of the  
9 Government of Ontario, including the timely expansion or reinforcement of transmission systems  
10 and distribution systems to accommodate the connection of renewable energy generation  
11 facilities".

12 Suncor requests that copies of all documents filed with or issued by the Board in connection with  
13 this Application be served on the Applicant and the Applicant's counsel as follows:

(a) The Applicant:

Suncor Energy Products Inc.

c/o Suncor Energy Inc.  
P.O. Box 2844

Tel: 416-864-7602

Fax: 416-941-8852  
Email: [aengel@foglers.com](mailto:aengel@foglers.com)

- 1 Additional written evidence, as required, may be filed in support of this Application and  
2 may be amended from time to time prior to the Board's final decision.
- 3 The Applicant requests that the Board proceed by way of written hearing, pursuant to  
4 Section 34.01 of the Board's *Rules of Practice and Procedure*.

Dated at Toronto, Ontario, this 24<sup>th</sup> day of November, 2014.

*Commissioner for Taking Affidavits (or as may be)*

## ONTARIO ENERGY BOARD NOTICE (Revised February 12, 2015)

**Suncor Energy Products Inc. has applied to the Ontario Energy Board to determine the location of electricity distribution facilities within road allowances owned by Lambton County.**

**Learn More.**

Suncor Energy Products Inc. plans to own and operate the Suncor Cedar Point II Wind Energy Project in the Municipality of Lambton Shores, the Township of Warwick and the Town of Plympton-Wyoming, in Lambton County. As part of the project, Suncor Energy Products Inc. proposes to locate 4.293 km of distribution line within certain road allowances owned by Lambton County. Suncor Energy Products Inc. and Lambton County have not been able to reach agreement regarding the location of the distribution facilities. Suncor Energy Products Inc. is asking that the Ontario Energy Board determine the location of the distribution facilities within the municipal road allowances.

**A map showing the potentially affected road allowances is appended to this Revised Notice.**

### **THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING**

The OEB is an independent and impartial public agency. It will hold a public hearing to consider Suncor Energy Products Inc.'s request. During this hearing, the OEB will consider evidence and arguments by Suncor Energy Products, Lambton County and others whose interests would be affected.

*The OEB hearing will consider specific issues determined by law. The Electricity Act, 1998 specifies that the OEB is strictly limited to determining the location of the distribution facilities within the road allowances in question. The OEB will not consider alternative locations for the distribution facilities outside of the road allowances or any aspect of the wind generation project in this case.*

### **BE INFORMED**

You have the right to information regarding Suncor Energy Products Inc.'s application. You can read the application on the OEB's website (See below under "Learn More").

### **HAVE YOUR SAY**

If you would be affected by the location of the distribution facilities within the road allowances owned by the Corporation of Lambton County, you may want to take a more active role in the hearing. You can:

- Send the OEB a letter with your comments within 60 calendar days from the date this Revised Notice is posted on applicant's website, which will be considered during the hearing; or
- Ask the OEB for permission to be an active participant in the hearing (an intervenor). Intervenors can provide evidence, argue their positions and submit relevant questions to be answered by Suncor Energy Products Inc. (interrogatories). To be an intervenor, a party must be affected by the location of the facilities in a way that relates directly to the issues the OEB will consider. If you wish to be an intervenor, the OEB must receive your request by **[insert actual date 10 calendar days from the date the Revised Notice is posted on applicant's website]**.

### **LEARN MORE**

Our file number for this case is **EB-2014-0355**. To learn more about how to participate in this hearing, including how to file a letter with your comments or how to become an intervenor, go to [www.ontarioenergyboard.ca/participate](http://www.ontarioenergyboard.ca/participate). From that OEB web page you can also enter the file number **EB-2014-0355** to see all the documents related to this case. You can also phone our Consumer Relations Centre at 1-877-632-2727 with any questions.

### **ORAL VS. WRITTEN HEARINGS**

There are two types of OEB hearings – oral and written. Suncor Energy Products Inc. has applied for a written hearing. If you think an oral hearing is needed, you can write to the OEB to explain why by **[insert actual date 10 calendar days from the date the Revised Notice is posted on applicant's website]**.

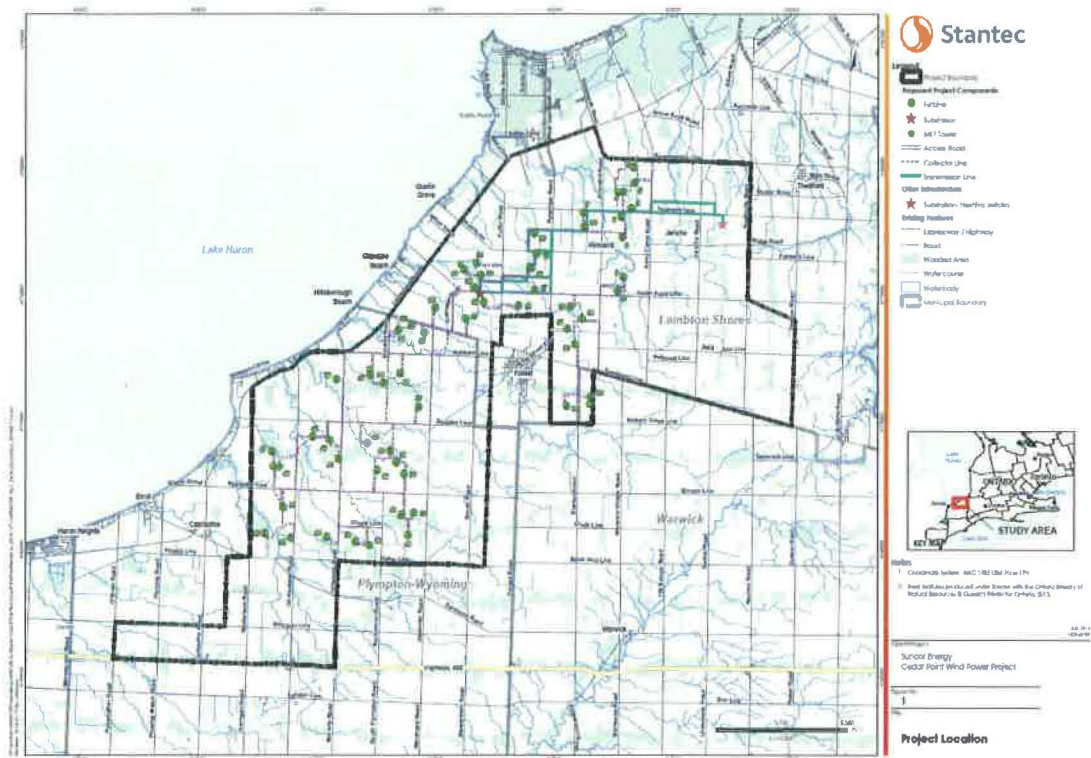

### **PRIVACY**

If you write a letter with your comments, your name and the content of your letter will be put on the OEB's public record and the OEB website. However, your personal telephone number, address and email address will be removed. If you are a business, all your information will be public. If you apply to become an intervenor, all your information will be public.

This application was filed under section 41(9) of the *Electricity Act, 1998 S.O. 1998, c.15, Schedule A*.

Location Map dated July 2014, of Proposed Generation and Distribution Facilities Associated With the Project subsequently approved by Renewable Energy Approval Number 6914-9L5JBB issued August 22, 2014

[Print](#) [text](#)**Suncor Energy Cedar Point Wind Power Project**

Suncor is committed to increasing renewable energy generation in Canada and building best-in-class wind energy projects.

In July 2011, the Project was awarded a 100 MW, 20-year term power purchase contract with the Ontario government. Our Cedar Point Wind Power Project - located approximately 40 km north-east of Sarnia, Ontario - received a Renewable Energy Approval (REA) under the Ontario Green Energy Act from the Ministry of the Environment (MOE) on August 22, 2014.

Suncor has been developing this project since signing the first agreement with a local landowner in 2005.

Detailed information about our project can be found below.

Hi Caitlin,

Attached is the notice for the Cedar Point website. Based on the information in the notice, this must be live at some point tomorrow. Can you please let me know if that will be an issue.

Thanks,  
Mark
