Dear Ms. Walli:

**RE: EB-2014-0182 – Union Gas Limited (“Union”) – Burlington Oakville Pipeline Project –
Comments on the Draft Issues List**

On February 19, 2015 the Ontario Energy Board (the “Board”) issued Procedural Order No. 1 in the above noted proceeding. The Board also issued a draft issues list and asked for written submissions by February 26, 2015. Union has two comments on the draft issues list.

First, in Union’s view it is not necessary to distinguish between short term and long term rate impacts in issue 3. Union suggests that issue 3 be changed to the following:

“What are the potential rate impacts to customers? Are the rate impacts appropriate?”

Second, there is a typographical error in the numbering of the draft issues list, which should be corrected in the final issues list.

If you have any questions or concerns on this matter, please contact me at (519) 436-5334.

Yours truly,
