the submissions to be within tolerance of the guidelines, with one exception. The Company notes that, as a result of the conversion from \$U.S. to \$CAN., the hourly rate charged by GEC's consultant exceeds the maximum hourly rate prescribed within the cost assessment guidelines.

The Company awaits the recommendations and or cost awards of the Board with respect the cost claims received for this proceeding.

Enbridge reserves the right to make submissions regarding any outstanding intervenor cost submissions which are subsequently received.

Yours truly,

*(Original Signed)*
