Hydro One Networks Inc., Leave to Construct, Windsor-Essex Region**

---

The Building Owners and Managers Association, Greater Toronto (BOMA) seeks intervenor status and cost award eligibility in the above noted proceeding.

BOMA represents over 800 Ontario and Greater Toronto Area ("Toronto") Property and Facility Owners, Managers, Developers, Leasing Agents, and Commercial Real Estate Professionals in the Greater Toronto Area and throughout Ontario (with the exception of Ottawa). These companies own commercial real estate throughout Ontario. Its members account for 80 per cent of all commercial and industrial real estate companies in Ontario. BOMA's members are large consumers of electricity in Ontario.

Over the years, BOMA has been active in protecting and advancing the interests of its members on such important policy issues as energy pricing and supply, property taxes, labour requirements, building materials and equipment regulations. BOMA continues to work at all levels of government providing a voice for Commercial Property in Greater Toronto and throughout Ontario. BOMA has an active energy committee.

BOMA has been a constructive participant in numerous previous cases. As a representative of a large sector of energy consumers in Toronto and Ontario, the commercial and industrial building owners and operators, BOMA seeks a cost award in this proceeding. BOMA will coordinate its
