Dear Ms. Walli:

**Re: North Bay Hydro Distribution Ltd. (“NBHDL”)
2015 Cost of Service Application
Board File No. EB-2014-0099**

On February 27, 2015 NBHDL filed an objection to the cost claim in the notice of intervention filed by D. D. Rennick on behalf of the North Bay Taxpayers’ Association. In this letter we incorrectly suggested that NBHDL’s previous Cost of Service Application was EB-2010-0102 when in fact that file number refers to NBHDL’s 2011 IRM Application (the previous Cost of Service Application was EB-2009-0270). The submissions were intended to reference Board’s decision and order on costs awards dated May 11, 2011 in EB-2010-0102 (the 2011 IRM) where Mr. Rennick intervened and claimed to represent the interest of all NBHDL customers.

NBHDL confirms that it has also received intervention requests from Energy Probe Research Foundation, the School Energy Coalition and the Vulnerable Energy Consumers Coalition on January 6, January 16 and January 29, 2015 respectively. NBHDL has no other objections to the intervention requests.

Yours very truly,
