Dear Mr. Pickernell:

Re: Pembina Infrastructure and Logistics LP ("Pembina")
Board File No.: EB-2015-0032

In our application (the "Application") filed on January 22, 2014 pursuant to the *Oil, Gas and Salt Resources Act*, R.S.O. 1990, c P.12 and applicable regulations, it was stated that Pembina's natural gas liquids storage and trans-loading facility in St. Clair Township – County of Lambton, Concessions XI (Part Lot 23, Lot 24, Lot 25 and Part Lot 26) and Concession XII (Lot 23, Lot 25 and Part Lot 26), known as the "Corunna Facility", is owned and operated by Pembina's "wholly-owned subsidiary and general partner 1195714 Alberta Ltd." Although 1195714 Alberta Ltd. does hold ownership of the Corunna Facility lands and is the registrant for many regulatory documents obtained in connection with the Corunna Facility, it was incorrectly listed as the wholly-owned subsidiary and general partner of Pembina. As a result of this oversight, all references to "its wholly-owned subsidiary and general partner 1195714 Alberta Ltd." in the Application cover letter and application documents should read "by its general partner 1598313 Alberta Ltd."

The Ontario Ministry of Natural Resources and Forestry has been notified of this oversight as well.

We apologize for any inconvenience this oversight may have caused and trust the above clarification to be sufficient for the purposes of the Application.

At this time, Pembina is also writing to advise you that, Pembina has relocated to:
