Dear Mr. Nettleton:

**Re: Applications by Hydro One Inc. /Woodstock Hydro Services Inc.  
Board File Number: EB-2014-0213**

This will acknowledge receipt on February 20, 2015 of your letter in relation to the above referenced applications.

The Board acknowledges your concerns with respect to being able to communicate with the members of your witness panel while they are empanelled before the Board. The Board's expectation is that counsel representing applicants before the Board will adhere to their professional obligations. Therefore the Board has no concerns if you do need to communicate with the panel members on matters other than what is before the Board in this proceeding.

Yours truly,
