RE: ESSEX POWERLINES CORPORATION
2015 IRM 3 Electricity Distribution Rates Application and 2014 Smart Meter Filing
Board File Number EB-2014-0072 & EB-2014-0301

Dear Ms. Walli;

Please find attached two files which are part of the Procedural Order 2 but did not upload correctly.

Essex_IRM-Rate_Gen_GA adjustment only_021115.xlsm did not upload to the RESS system correctly and Essex_IRM_Rate_Gen_with no GA adjustment_021115.pdf uploaded but there are #REF errors in the pdf copy which have been corrected and uploaded.

As outlined in the filing requirements, EPLC has included two paper copies and has also filed through the Ontario Energy Board's web portal.

Please feel free to contact me if you require anything further.

Sincerely,

A handwritten signature in black ink, appearing to read 'Richard Dimmel', with a stylized flourish at the end.
