Dear Mr. Pickernell:

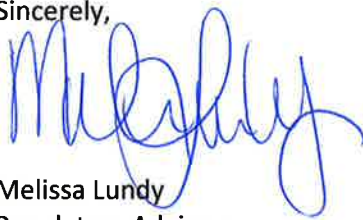

**Re: Pembina Infrastructure and Logistics LP ("Pembina")  
Board File No.: EB-2015-0032**

In our application (the "Application") filed on January 22, 2014 pursuant the *Oil, Gas and Salt Resources Act*, R.S.O. 1990, c P.12 and applicable regulations, Pembina filed a Landowner Linelist and Notification Letters for all deemed stakeholders under Appendices E and G, respectfully. Accordingly, Pembina is writing to you today to request that in accordance with Rule 10 of the Ontario Energy Board's ("OEB") *Rules of Practice and Procedure* and the OEB guidance Pembina received, Pembina kindly requests that the OEB Remove Appendices E and G ("Appendices") from their e-public records and treat the redacted sections of these appendices as confidential. These Appendices have confidential and private information regarding individual landowners and corporations which, should not be publically viewed or posted. Pembina has redacted all information which is considered confidential and as attached redacted versions of these Appendices for the OEB's e-public records. We trust the above clarification to be sufficient for the purposes of the Application.

At this time, Pembina is also writing to confirm that further to the OEB Letter of Direction and our telephone conversation with your offices on Monday, redacted versions of these Appendices will be provided to all stakeholders listed in Section 3 of the OEB's Letter of Direction.

If you require additional information or have any questions with regards to this information, please contact Melissa Lundy, Regulatory Advisor at (403) 231-3153 or by email at [mlundy@pembina.com](mailto:mlundy@pembina.com).
